

TRICK OR TREATMENT? ALTERNATIVE MEDICINE ON TRIAL

By Simon Singh

How do you know which treatments really heal and which are potentially harmful? Simon Singh discusses the evidence for and against alternative therapies, as well as his ongoing legal battle with the British Chiropractic Association and the impact of libel laws on scientific journalism.

Simon Singh is a former director and producer of the BBC's 'Tomorrow's World' and 'Horizon'. He's best known as the author of 'Fermat's Last Theorem', 'The Code Book', 'Big Bang' and 'Trick or Treatment?'
