QED Vodka

Nothing is as strong as QED Vodka

- All of the benefits of full-strength vodka Relaxation, More confidence, Mood boost, Less inhibition, Less worries, Help with sleep, Calming of nervousness, Relief from stress.
- None of the downsides of full-strength vodka Alcohol taste/smell, Impaired balance, Loss of coordination, Slurred speech, Lowered self-control, Failure of breathalyser, Hangover, Dehydration.

Given **QED Vodka**'s benefits, it will fit into the market alongside 'energy drinks' as *Red Bull* and *Monster*, offering a new way for people to boost their mental and physical condition in a natural and perfectly healthy way. In fact, the ingredients of **QED Vodka** are so safe many Doctors will recommend them for their patients.

Prior to launch, we're looking to gauge the public's potential reactions, so along with a free sample we'd appreciate if you'd answer the following questions:

- 1. What do you think of the product?
- 2. Would you buy it?
- 3. How much would you pay for a bottle?
- 4. Would you recommend it to a friend?
- 5. Would you recommend it be available on the NHS?
